

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is in clear violation to democracy. They are not equally demanding that a pro-Kerry piece, like "Going Upriver" be broadcast, in fact, they refused to air Ted Koppel airing the name of the American soldiers who died in Iraq.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. This partisan use of the airwaves is devastating to true democracy.

Please take note of Sinclair's actions. Please stop this appalling gesture of anti-Americanism.

Thank you.
